*You are encouraged to use generic names whenever possible. If there is a need to use trade names, use trade names from several companies when available, not just trade names from a single company. You are required to disclose when you are discussing off-label or unapproved uses or applications of drugs or devices.*

**If you subsequently make a schedule change, or if you have a conflict that is not apparent from review of the call schedule, you are responsible for finding a substitute for cardiovascular conference.**
